1. ISSUER PROFILE

The present report illustrates the corporate governance adopted by the Issuer. This system is based on the needs of a holding company and is based, therefore, on the systems of controls of the activities of the companies in which it is present through the operating subsidiaries of the Issuer.

The system is therefore centred on: (i) the central role of the Board of the Issuer in strategic direction; (ii) the transparency of the operational decisions; (iii) the effectiveness of the internal control which is undertaken through the existing control structure within the individual operating units and the individual subsidiaries and the supervision of the Control and Risks Committee appointed by the Board.

Caltagirone Editore S.p.A., at the Extraordinary Shareholders' Meeting of April 23, 2018, changed its corporate scope to expand its framework of operations, by evolving from a holding company with interests solely in companies operating in the publishing, advertising, telecommunications and Internet sectors into a holding company with interests in companies and entities also operating in other lines of business.

The Company By-Laws do not provide for exceptions to the passivity rule pursuant to Article 104, paragraphs 1 and 2 of the CFA, nor the application of the neutralisation rules pursuant to Article 104-*bis*, paragraphs 2 and 3 of the CFA.

i) Power to increase the Share Capital and authorisation to purchase treasury shares (as per Article 123-bis, paragraph 1, letter m), CFA)

The Board does not have the power to increase the Share Capital or to issue financial instruments.

On October 11, 2018, in addition, the authorisation to purchase treasury shares issued by the Shareholders' Meeting of April 12, 2017 concluded. At December 31, 2018, the company holds in portfolio a total of 18,209,738 treasury shares, equal to 14.5678%, having in November 2018, as per Article 2437-quater, paragraph 5 of the Civil Code, purchased16,051,806 shares of the company which had remained un-opted following the withdrawal of shareholders and their offer as options under preemption rights, concluding in July 24, 2018, following the approval of the Extraordinary Shareholders' Meeting motion of the company of April 23, 2018 to amend Article 2 (Corporate Scope) of the By-Laws.

3. COMPLIANCE (as per Article 123-bis, paragraph 2, letter a), CFA)

The Issuer, although ensuring maximum market transparency, decided not to formally adopt the Self-Governance Code for listed companies approved by the Corporate Governance Committee and promoted by Borsa Italiana S.p.A., while in line however with its optional nature as per point I) of the Code guidelines and considering, in addition, that the Issuer is merely a holding company with a basic structure. The Issuer, nor its strategic subsidiaries, are subject to laws in force outside Italy which affect the corporate governance structures of the Issuer.

4. BOARD OF DIRECTORS

4.1. APPOINTMENT AND REPLACEMENT (ex Article 123-bis, paragraph 1, letter 1), CFA)

The Directors are appointed by the Shareholders' Meeting on the direct proposal of the Shareholders based on the provisions of the By-Laws and legislation in force. The appointment of the Directors is made through the voting of slates of candidates, which are listed by progressive numbering. The slates indicate the candidates who are independent in accordance with the law, contain the legally required number of independent directors and are presented together with the curriculum vitae of the candidates which illustrate their professional and personal characteristics and their acceptance of the candidature. Each slate cannot contain more than fifteen candidates.

Slates presenting a number of candidates equal to or above three must include a number of candidates from the under-represented gender which ensures compliance with the applicable legal and regulatory gender quota.

The slates of candidates must be filed at the registered offices of the company and made available in accordance with the provisions required by law.

A 2% holding in the share capital is necessary to present a slate - or any lower threshold established by Consob in accordance with regulations in force.

For the inclusion of the Directors to be elected, consideration is not taken of the slates which have not obtained at least half of the votes for the presentation of the slate. The first candidate on the minority slate which obtains the largest number of votes and which is not related in any manner, even indirectly, with the slate which has the highest number of votes, is elected Director; the other members of the Board of Directors are taken in a progressive order from the slate which obtained the highest number of votes. Where the result of voting does not satisfy the applicable gender equality laws and regulations, the first listed candidate belonging to the under-represented gender replaces the last selected member on the slate which has received the highest number of votes. Where the gender balance quota has not been met through this method, the Shareholders' Meeting votes by statutory majority. In the event of the presentation of only one slate or in the case where only one slate receives votes, all the candidates will be taken from the same slate, providing the gender equality minimum thresholds required by the applicable regulations and law have been met. For the appointment of Directors other than the renewal of the entire Board of Directors, the shareholders' meeting deliberates with statutory majority and without taking into consideration the procedures outlined above, while ensuring gender balance.

Should one or more vacancies occur on the Board, they shall be filled in accordance with article 2386 of the Civil Code, while ensuring gender balance.

4.2. COMPOSITION (as per Article 123-bis, paragraph 2, letter h), CFA)

Pursuant to Article 14 of the Company By-Laws, the Issuer may be governed by a Board composed of between 3 and 15 members, appointed by the ordinary Shareholders' Meeting, which determines the number of board members. The Directors are elected for a period not greater than three years and until the date of the Shareholders' Meeting for the approval of the Annual Accounts for the last year of their appointment.

The Shareholders' Meeting of April 23, 2018 established the number of members of the Board of Directors as 12.

For the appointment of the Board of Directors, two slates were presented to the company:

- a slate submitted by the shareholder Parted 1982 S.p.A, which holds a 35.564% stake, with 11 candidates, including Messrs.: Francesco Gianni, Alessandro Caltagirone, Azzurra Caltagirone, Francesco Caltagirone, Tatiana Caltagirone, Antonio Catricalà, Massimo Confortini, Mario Delfini, Albino Majore, Annamaria Malato and Valeria Ninfadoro.
- a slate submitted by Amber Capital UK LLP as manager of the fund Amber Active Investors Ltd, which holds a 10.53% stake, with 2 candidates, including Messrs.: Giacomo Scribani Rossi and Luciano Duccio Castelli.

Following voting, the slate presented by Parted 1982 S.p.A. obtained 90,823,155 votes, representing 85.943% of the share capital present. The slate presented by Amber Capital UK LLP obtained 14,854,188 votes, representing 14.056% of the share capital present.

The following persons were therefore elected: Francesco Gianni, Azzurra Caltagirone, Albino Majore, Alessandro Caltagirone Francesco Caltagirone, Tatiana Caltagirone, Antonio Catricalà, Massimo Confortini, Mario Delfini, Annamaria Malato, Valeria Ninfadoro, Giacomo Scribani Rossi.

The Directors will remain in office until the Shareholders' Meeting that will be called to approve the financial statements for the year ended December 31, 2020.

For the personal and professional background of each director, reference should be made to the curriculum vitae available on the Company website (www.caltagironeeditore.com), together with the above-mentioned slates, in the section Governance/2018 Shareholders' Meetings.

The Issuer adopted from November 11, 2013 gender equality policies with regards to the makeup of the Board of Directors, in compliance with Law No. 120 of 2011 and Article 14 of the By-Laws.

For the composition of the Board at December 31, 2018, reference should be made to Table 2 as no changes have been made since that date.

Maximum number of offices held in other companies

The Board of the Issuer has not drawn up strict and general criteria regarding the maximum number of appointments in other companies that can be considered compatible with an effective conduct of the role

of director, considering that this evaluation is that of the Shareholders and subsequently of the individual directors on accepting the office.

4.3. ROLE OF THE BOARD OF DIRECTORS (as per Article 123-bis, paragraph 2, letter d), CFA)

In 2018, the Board of Directors held 6 meetings in the year, at which the Directors and the Board of Statutory Auditors attended regularly.

The average duration of the Board meetings in 2018 was one hour.

For the current year at least four meetings are planned. In 2019, the Board of Directors met on March 8, 2019.

It is noted that the by-laws do not specify a minimum number of meetings for the Board of Directors.

Article 19 of the By-Laws confers to the Board of Directors the widest powers of ordinary and extraordinary administration of the Company and it may therefore carry out any and all acts it deems appropriate for attaining the corporate objectives, with the sole exclusion of those attributed by law or the By-Laws to the Shareholders' Meeting.

The Board of Directors may also pass resolutions in relation to: the incorporation or spin-off of the company, in cases in accordance with law; the opening and closing of secondary offices; the appointment of directors as company representatives; the reduction of the share capital in the case of withdrawal of the shareholders; the transfer of the registered office within the national territory, the amendment of the By-Laws in accordance with law.

The Board meets on a regular basis and is organised and operates in a manner which guarantees an effective and efficient performance of its functions.

- a) examines and approves the corporate governance system of the Issuer and the structure of the Group;

Any exemptions from anti-competition agreements are authorised by the Shareholders' Meeting as established by Article 2390 of the civil code.

11.6. COORDINATION OF THE PARTIES INVOLVED IN THE INTERNAL CONTROL AND RISK MANAGEMENT SYSTEM

The coordination of the various parties involved in the Internal Control and Risk Management System of Caltagirone Editore S.p.A. (the Board of Directors, the Board of Statutory Auditors, the Control and Risks Committee, the Internal Control Manager and the Executive responsible for the preparation of corporate accounting documents) was ensured by the adoption of processes which minimize the risk of potential duplication of requests from the same bodies, establishing therefore a rational and efficient control system.

12. DIRECTORS INTERESTS AND RELATED PARTY TRANSACTIONS

The Board of Directors approved - with approval also of the Related Party Transactions Committee - the procedure relating to transactions with Related Parties in accordance with the Consob Regulation adopted with resolution No. 17221 of March 12, 2010.

The procedure, as required by the Consob Regulation, attributes a greater or lesser responsibility to the role of the independent directors based on their relevant decision-making powers and the significance of the transaction and providing adequate levels of disclosure and documentation in order to ensure the transparency and the material and procedural correctness of transactions with related parties. The procedure is published on the website of the company www.caltagironeeditore.com in the Governance/Corporate Governance section.

13. APPOINTMENT OF STATUTORY AUDITORS

Article 22 of the By-Laws provides that the Board of Statutory Auditors consists of a Chairman, two standing auditors and two alternate auditors. The Board of Statutory Auditors exercises all the functions required by law and by the company By-Laws. The duration of the appointment is in accordance with law; the statutory auditors may be re-elected.

Article 22 of the By-Laws is in line with the gender balance regulation in accordance with Law No. 120 of July 12, 2011.

The statutory auditors qualify as independent and possess the professional and honourable competencies prescribed by law. Persons who already cover the role of statutory auditor in more than five other listed companies, excluding the direct or indirect subsidiaries of the company or controlled by the same parent company that controls the Company, may not be elected nor can persons who do not have the requisites

of honourability and professionalism as required by the relevant regulations, as well as incompatibility by law.

The Board of Statutory Auditors are elected by the Shareholders' Meeting on the basis of slates presented by shareholders that hold at least 2% of the share capital, or if lower any other threshold established by Consob in accordance with current regulations.

The slates must be filed at the registered office and made available to the public in accordance with the applicable regulation. The persons presenting the slates must file, together with the slate, the declaration certifying the number of shares necessary for the presentation of the slate.

Each shareholder, as well as shareholders belonging to the same group (meaning holding companies, including individuals, as per article 2359 of the civil code and its subsidiaries), who adhere to a shareholder pact in accordance with article 122 of the Legislative Decree 24.2.1998 No. 58, cannot present, directly, by interposed persons, or through trust companies, more than one slate. Violation of this regulation will result in the application of paragraph 12 of the same article 22 for all of the slates presented independent of the order of the slates presented.

In the event where at the end of the period for the presentation of the slates only one slate has been presented, or only slates presented by shareholders belonging to the same group or belonging to a shareholder agreement, slates may be presented up to the third day after this date, provided that the notices are made in accordance with current regulations.

In this case, the percentage threshold established for the presentation of the slate is reduced by half.

The slates must be provided with the information relating to the shareholders presenting the slates, with an indication of the total percentage shareholding held, of the Curriculum Vitae of each person on the slate as well as a declaration by the candidate, under their own responsibility, that they possess the requisites required by law and the acceptance of their candidature.

The written acceptance of the candidature and the declaration of the inexistence of ineligibility must be filed together with the slate.

The slates for the election of the members of the Board of Statutory Auditors must include the names of one or more candidates, not above the number of statutory auditors to be elected, indicated by progressive order; the slates can be divided into two sections, each with a maximum of three candidates (progressive numbering) for the office of standing auditor and alternate auditor. Each slate for the appointment of standing auditors and alternate auditors must contain a number of candidates belonging to the underrepresented gender which ensures, within the slate itself, compliance with the gender balance quota established by applicable laws and regulations.

No shareholder may present or vote, even as proxy, on more than one slate and each candidate shall be presented on only one slate, at the risk of ineligibility.

The first two candidates of the slate which obtains the largest number of votes are elected as standing auditors ("the Majority Slate") and the first candidate of the slate presented and voted by the shareholders which are not related, even indirectly, to the majority shareholders, which is second in terms of number of votes (the "Minority Slate"), is elected Chairman of the Board of Statutory Auditors.

Also elected are:

- one alternate auditor among the candidates indicated in the section "Alternate Auditors" of the Majority Slate in progressive order;
- one alternate auditor among the candidates indicated in the section "Alternate Auditors" of the Minority Slate in progressive order.

Where the result of voting does not satisfy the applicable gender balance laws and regulations, the first listed candidate belonging to the under-represented gender replaces the last selected member on the slate which has received the highest number of votes. Where the gender balance quota has not been met through this method, the Shareholders' Meeting votes by statutory majority.

Should two slates receive the same number of votes, a second vote of the entire Shareholders' Meeting will decide between them.

In the event of the presentation of only one slate or in the case where only one slate receives votes, all the candidates will be taken from the same slate, providing the gender balance quota under the applicable laws and regulations has been met.

Where it is not possible to proceed with the appointment of one or more Statutory Auditor through the voting of slates, the Shareholders' Meeting will resolve through statutory majority, ensuring the minimum gender quota established under the applicable law and regulations has been met. In the case of the substitution of a Standing Auditor, an Alternate Auditor is taken from the same slate as the auditor leaving office, ensuring the minimum gender quota established under the applicable law and regulations is met.

As regards the rules for appointing any standing or alternate Auditors needed to make up vacancies on the Board of Statutory Auditors these shall be decided by resolutions of the Shareholders' Meeting, adopted by statutory majority, ensuring the minimum gender quota established under the applicable law and regulations has been met.

14. COMPOSITION AND OPERATION OF THE BOARD OF STATUTORY AUDITORS (as per Article 123-bis, paragraph 2, letter d) and d-bis) CFA)

The Board of Statutory Auditors currently in office was appointed by the Shareholders' Meeting of April 23, 2018 and remains in office until the approval of the financial statements at December 31, 2020.

At the Shareholders' Meeting of April 23, 2018, two slates containing the candidates for the position of Statutory Auditor were presented:

- a slate submitted by the shareholder Parted 1982 S.p.A, which holds a 35.564% stake, including Messrs.: Antonio Staffa, Maria Assunta Coluccia and Federico Malorni (candidates for the office of statutory auditor); Patrizia Amoretti and Vincenzo Sportelli (candidates for the office of alternate auditor).
- a slate submitted by Amber Capital UK LLP as manager of the fund Amber Active Investors Ltd, which holds a 10.53% stake, including Messrs.: Matteo Tiezzi (statutory auditor) and Luisa Renna (alternate auditor).

The slate submitted by Parted 1982 S.p.A. received 90,823,855 votes, accounting for 85.9438% of share capital represented.

The slate submitted by Amber Capital UK LLP as manager of the fund Amber Active Investors Ltd; it received 14,854,188 votes, accounting for 14.056% of the share capital represented.

The following were elected: Matteo Tiezzi, as Chairman, Antonio Staffa and Maria Assunta Coluccia as Statutory Auditors and Luisa Renna and Patrizia Amoretti as Alternate Auditors.

For the personal and professional background of each Statutory Auditor, reference should be made to the curriculum vitae available on the Company website www.caltagironeeditore.com, in the Governance / 2018 Shareholders' Meeting section.

During the year, the Board of Statutory Auditors met 7 times. The meetings had an average duration of 1 hour 30 minutes. 6 meetings are scheduled for 2019.

The Board of Statutory Auditors evaluated the independence of its members.

There are no specific obligations of the statutory auditors where they have interests on their own behalf or of third parties. Before the approval of each resolution, the Board requests its members to declare whether they hold any interests in the operations being resolved upon.

In 2018 the Board of Statutory Auditors evaluated the independence of the audit firm and verified compliance with regulations and of the nature and size of any services provided to the Company.

In carrying out its activities, the Board of Statutory Auditors coordinated, through informal contacts, with the administration department, the Executive for financial reporting and the Control & Risks Committee.

For the composition of the Board at December 31, 2018, reference should be made to Table 3 as no changes have been made since that date.

15. RELATIONS WITH SHAREHOLDERS

The Company has created a section on its website www.caltagironeeditore.com to provide significant information to the shareholders, in order to ensure that these latter can exercise their rights in a knowledgeable manner.

An Investor Relations Department was also set up and a communication department is also in place.

The Company assigned the External Relations Office in the person of Mr. Filippo Noto the role of Investor Relations Manager.

16. SHAREHOLDER MEETINGS (as per Article 123-bis, paragraph 2, letter c), CFA)

Article 9 of the By-Laws, as per Article 2369 of the Civil Code, paragraph 2 establishes that: "Subsequent meetings may be called where the quorums established by applicable regulations for each of the previous meetings have not been met".

The By-Laws establish that attendance at the Shareholders' Meeting and the right to vote is governed by the relevant regulation.

Each shareholder with voting rights and who has the right to attend the shareholders' meeting can be represented by written proxy in accordance with current regulations.

No specific constituting and motion adopting quorums are in place and for which regulatory provisions are observed.

The Company, for the present moment, does not consider it necessary to implement regulations for the shareholders' meetings, given the good and correct functioning of these meetings in the past.

The Chairman of the Shareholders' Meeting verifies the right to attend of each shareholder (and also proxies) and ascertains whether the meeting is validly constituted by the presence of the necessary quorum. The Chairman directs and regulates the discussions at Shareholders' Meetings.

In 2018, the Shareholders' Meeting met once on April 23, with the attendance of six Directors and the full Board of Statutory Auditors.

The Board reported to the Shareholders' Meetings on the activities undertaken and on the future programmes, in line with the requests made by the shareholders present.

17. FURTHER CORPORATE GOVERNANCE PRACTICES (as per Article 123-bis, paragraph 2, letter a), CFA)

The Company has not applied further corporate governance practices than those indicated in the previous points.

18. CHANGES SUBSEQUENT TO THE YEAR-END

No changes have been made to the corporate governance structure since year-end.

19. CONSIDERATIONS ON THE LETTER OF DECEMBER 21, 2018 OF THE CHAIRMAN OF THE CORPORATE GOVERNANCE COMMITTEE

With the above-stated letter addressed to the Issuer, the Chairman of the Corporate Governance Committee sought to incentivise application of the Self-Governance Code and promote corporate governance development among all listed companies according to the principles of the Code, regardless of their formal adoption of the Code.

As stated at paragraph 3) above, the Issuer does not intend adopting the Self-Governance Code; however, having always shared its general principles in terms of its applied governance, the company is highly mindful of the letter's content.

Rome, March 8, 2019

for the Board of Directors The Chairman Mr. Francesco Gianni

Attachment 2: "Principal characteristics of the risk management and internal control system in relation to the financial disclosure process" in accordance with article 123-bis, paragraph 2, letter b), of the Consolidated Finance Act

An effective internal control system contributes to the safeguarding of the company assets, the efficiency in the business operations, the reliability of the financial information and compliance with law and regulations.

In order to ensure the reliability of financial reporting and the correct representation of events, the Board of Directors drew up guidelines which must be fully incorporated into the internal control system. These guidelines are as follows:

- a) the financial reporting must comply with generally acceptable accounting principles which are relevant to the specific circumstances in which the company operates;
- b) financial disclosure must include all events which may impact the use, the understanding and the interpretation of such information;
- c) the accounts must reflect the operations and the underlying events;
- d) the financial reporting must be supported by the following underlying assertions concerning specific events:
 - 1) **existence**: the assets, liabilities and capital exist and the operations reported in the accounts concern events which have been verified;
 - completeness: all of the operations and other events and circumstances which are verified in the course of a certain period, or should have been recorded in this period, are properly recorded;
 - 3) **rights and obligations**: the assets represent rights and the liabilities represent obligations of an entity at a certain date;
 - 4) measurement and recognition: the assets, liabilities, revenues and expenses are recorded for their exact amount in compliance with correct accounting principles. The transactions are mathematically correct and recorded in the accounting records of the company;
 - 5) **presentation and disclosure**: the financial statement accounts are correctly described and classified.

In order to identify the principal risks and to identify the areas and accounts which greatest affect the reliability of the financial reporting, both qualitative and quantitative factors must be considered, including the risk of fraud, through examining the following aspects:

- a) **impact on the financial statements**: each account is valued with reference to the percentage of a specific category, such as for example, the total of assets;
- characteristics of the individual accounts: the internal factors such as the volumes of underlying transactions to a specific financial statement account, the necessity for estimates and the complexity of the accounting principles adopted are examined;
- c) **characteristics of the operating processes**: the operating processes which generate transactions that constitute the individual financial statement items are identified;
- d) **risk of fraud**: the error risk relating to fraudulent actions is evaluated;
- e) group level factors: the factors which affect the group as a whole such as the type of activities carried out by the various companies, the size and quality of the workforce, the changes relating to possible changes in the organisational structure and in the IT systems are considered.

The internal control system adopted by the Issuer consists of:

- a "first level control", comprising a series of controls which the individual operating units
 or companies of the Group undertake in its processes. These control activities are
 undertaken primarily by the operating management and are considered an integral part of
 each corporate process;
- b) a "second level of controls" is undertaken by the Committee through the Internal Control Manager principally with the purpose to identify and contain all business risks through periodic verification of the processes, both in terms of the adequacy of the controls and in terms of efficiency of the results obtained.
